Record of Deaths in the Town of New Haven for the seven years preceding 1828 Copied from the original record kept by Thomas Macumber while he held the office of Sexton By Virgil M. Dow

New Haven, February 16th. 1838.

Note.— The following record includes probably all buried during the time in the City burying ground & no others.

The ages of many children it will be observed are left blank; probably, on account of their being young, their ages were not inscribed on the coffin & did not come to the knowledge of the Sexton. In the Original many names were mifs-spelled, and very likely some are in my copy, notwithstanding my numerous corrections in this particular. V. M. Dow

[17]

March 20th 1844

At this date there are living in the town of New Haven, according to Dr. John Skinner, 53 persons of 80 years of age & upward; to wit 32 Females and 21 men. V. M. Dow

1830	568	2	570
1834	639	8	647
1840			

In 1787 Sept. 20 the inhabitants of the City numbered according to New Haven Gazette & Con^{t} Magazine as quoted by Dr. Dwight. 3364.‡

‡ See Dwight's Statistics of the City of New Haven 1811 page 80 & Seq.

In the year 1821 a considerable part of the Township of New Haven, including West Haven parish &c. was set off to constitute part of the new Town of Orange. This accounts for the apparent diminution of the number in the Town except city in the Censuses after that date. The number of inhabitants thus set off was 750 according to Dr. Skinner. In 1839 the Village of Fair Haven was set off from the city but still remains a part of the town as does also the village of Westville. Jan. 1, 1844

Note. — In making out the above table recourse was had for all previous to Jan. 1, 1828 to the record kept by the sexton Thos Macumber.

The above table includes all buried in the city burial ground and for the three last years those intered at the Almshouse are included, and for the two last years those intered at the Village of Fair Haven are also included.

To find the mean duration of life in the city for the 10 years, divide the mean population of the city for said 10 years including Hotchkifs Town but leaving out Fair Haven and the Alms House by 142.3, the average of annual deaths for said place.
